

Oxted Parish Council

Limpsfield Parish Council

CCTV Questionnaire

Oxted Parish Council and Limpsfield Parish Council, together with Tandridge District council, The Oxted Business Improvement District and The Trustees of Master Park are considering installing a CCTV system.

The CCTV would act as a key tool in detecting and preventing crime, disorder and antisocial behaviour.

The cameras would not be monitored on a 24-hour basis but the recordings from the cameras could be viewed following any instances of crime, disorder or antisocial behaviour. Cameras will cover Station Road East and West, Master Park and Hurst Green Shops.

The CCTV system would be jointly funded with Oxted Parish Council providing a significant share of the funding from the Community Infrastructure Levy (CIL) that it receives.

Oxted Parish Council and Limpsfield Parish Council are interested in your views on the provision of such a CCTV system and would appreciate you completing this questionnaire. The questionnaire should only take a few minutes to complete and will run until 7th January 2022.

1. Do you support CCTV being installed within the Parishes of Oxted and Limpsfield?

Yes

No

2. Your Postcode?

3. Additional Comments - please add here anything else you would like to comment on?
