

PARISH NOTICEBOARDS RENOVATION NOTE – SOPHIE MARTIN

Budget item requested (Parish Maintenance budget)

1. Memorial Stores timber noticeboard - general renovation of the existing timber frame and new back board. £160
 - Stainless steel cap screws fixed into existing board.
 - Remove existing front panel, remove existing plastic, clean and reinstall in its wood frame utilising tamper proof seal and existing oak fixing battens.
 - Sand frame and treat with a hydrosol wood sealer if necessary.
 - The cost for materials is £140; hydrosol £20 if required.
2. For new noticeboard on Station Road East bus shelter (see photo) Metal frame is for the bus shelter at TDC/Snatts Hill. Approximately £249 (inc. VAT).
 - Green or black - **6 x A4 sheets**. People keep taking down LPC notices and throwing them on the floor.
 - The alternative is to ask SCC if we can put up a board on the wall of the Library (to get traffic to library and health centre) and forget about the one at the bus shelter which is only really used by school kids and people eating fish and chips.
