

BIODIVERSITY PROPOSAL ESTIMATE FOR FUNDING FROM LPC

	£
Roundtable meeting and follow up meeting	600
Leaflet designed by children and circulated by us	100
Biodiversity walks with directions, waymark points	(750 from NT/FoLC)
4 wildflower areas at £500 plus VAT *	2400
Public education event with National Trust	(500 from NT/FoLC)
Professional input to a biodiversity study/action plan**	3000
Biodiversity Grants	1000
TOTAL	7100
20% contingency for other ideas from roundtable	1420
GRAND TOTAL	8520

* Suggested areas discussed with NT - near the Carpenters, Scearn Bank, Kent Hatch Road, two in Limpsfield (existing at traffic lights and expanded area on east side of Wolfs row). Estimate taken from cost last year.

** Help to map the biodiversity assets, and advice on suggestions for improvement, e.g. more hedges in particular areas to create corridors, coppicing along the river banks (crooked river) to promote tree health.
