The clerk has prepared the reclaim form and we expect to claim £888.36 for Q4 23/24. The majority of which is allocated to CIL.
 9. Overview of expenditure for FY2023-24

We are in a very good position at the end of the financial year with a healthy level of reserves and cash in the bank.

We have spent 99% of our general expenditure and running costs.

Reserves

 - The Parish Council maintains a prudent reserve equal to 50% of the annual precept – currently £16,658.
 - In addition, the Council has reserved £10,000 in the Limpsfield Chart Account for Chart Playground repairs and decommissioning if required by the National Trust after expiry of the lease.

Total Reserves: £26,658

- In addition to our Prudent Reserves, the Council periodically sets aside “earmarked reserves” in anticipation of significant expenditure. For FY2023-24, we set aside:
 - £10,000 for any potential off-street parking opportunities in Limpsfield Village
 - £4,800 (£2,400 per year, accruing) was earmarked for the annual maintenance of the Limpsfield Way and Cycle Route. The majority of this was spent.
 - £4,343 for the Limpsfield Way project contribution (as required by our contract with Your Fund Surrey), but this was not spent.**Total: £19,143**

Income

- Core Parish Council income in FY2023-24 was £78,461.91, comprising Community Infrastructure Levy (CIL) funds (£39,819.65), VAT refunds (£5,126.20), and the annual Precept of £33,315.

Expenditure

- Overall approved (budgeted) expenditure for our Core activities (including projects still in play) was £71,418.70.
- Total actual expenditure to 31 March 2024 was £61,268.
- We have £7,048 outstanding to pay for FY2023-24 budgeted projects (mainly CAAMP Ironstone).
- LPC claims VAT on a quarterly basis to assist cashflow. In FY24 the Council reclaimed £5,126.20 in VAT.

10. Overview / any updates of 2025 budget

Streetlamps on Pebble Hill – TCB would like to obtain quotes on installing a new heritage streetlamp.

11. CIL income update / draft report

Awaiting 2023-24 CIL form from TDC. Expected imminently. For return by end of May.

12. Update of Registered Assets FY25

- Clerk to clarify with Oxted PC if the CCTV camera on the corner of Gresham Road is an LPC fixed asset and therefore maintained by LPC, or is it designated under TDC/SCC obligations?
- Clerk to ask National Trust about ownership/maintenance of bench at Pebble Hill.
- Clerk to add the Kissing Gate at Glebe Meadow to the list of assets.
- Other kissing gates are on footpaths and bridleways and therefore under SCC ownership and maintenance obligations. Clarification on ownership of

gates and other installations needs to be made with respect to maintenance and insurance.

- Clerk to send a list of gates/stiles that LPC has installed to SCC Countryside Access team.

13. Biodiversity Budget Overview Criteria and awards criteria for Small Biodiversity Grants:

- At the LPC meeting in March, it was agreed that TCB would draft some criteria for the LPC Biodiversity Plan, including small grants for grass roots level, community groups and activities.
- An “earmarked budget” was agreed at the March 2024 LPC monthly meeting, but everything other than the grant pot (£2,000) still needs to be approved at a Full Council Meeting with a detailed proposal and scope and against the agreed Biodiversity criteria. *NB. Separate funding for B269 annual wildflower cultivation, given urgency of March planting season, was agreed following provision of acceptable quote provided by AO.*
- TCB says that LPC has an obligation to have a Biodiversity Plan in line with District and County strategy and our criteria should reflect this.
- He has drafted criteria and motion for Monday’s LPC meeting, as well as revised the grant application form for Small Biodiversity Grants drafted by AO.
- Small Biodiversity Grants for community groups and individuals (with a community focus) may be awarded up to £250 limit and must be approved against criteria set by the council. All applications should be reviewed by the Biodiversity Working Group, including a Member of the Finance Committee before approval by the full Council.
- The Finance Committee has therefore drafted and agreed priorities and criteria to support the council’s biodiversity strategy which need to be agreed at LPC monthly meeting.
