

LPC Biodiversity Strategy – Finance Committee Recommendations

- The Finance Committee recommends adoption of the Biodiversity Priorities and Project Criteria, which are consistent with the LPC statutory obligations and will facilitate pursuit of high-quality biodiversity projects.
- The Biodiversity Working Group of the LNP Committee – consisting of Cllrs Ann Osborn, Sophie Kemp, John Thompson and co-opted members Robin Masefield and Maggie Morgan – is responsible for developing biodiversity projects, including review of requests for small grants to local community organisations.
- The award of small grants of up to £250 - consistent with the Project Criteria - should also be reviewed by a Member of the Finance Committee before approval by the full Council.
- The Biodiversity Working Group should periodically review the Priorities and Project Criteria and suggest and changes to the full Council.
