Dear Sophie

Re: Limpsfield Parish Council

Internal Audit Year Ended 31 March 2024 - Year-End Audit report

### **Executive summary**

Following completion of our year-end internal audit on the 1<sup>st</sup> May 2024 we enclose our report for your kind attention and presentation to the council. This report contains details of the additional testing conducted at year-end and should be considered alongside the interim audit reports issued following our interim audit on the 3<sup>rd</sup> of October. The audits were conducted in accordance with current practices and guidelines and testing was risk based. Whilst we have not tested all transactions, our samples have where appropriate covered the entire year to date.

Our report is presented in the same order as the assertions on the internal auditor report within the published AGAR. The start of each section details the nature of the assertion to be verified. Testing requirements follow those detailed in the audit plan previously sent to the council, a copy of this is available on request. The report concludes with an opinion as to whether each assertion has been met or not. Where appropriate recommendations for action are shown in bold text and are summarised in the table at the end of the report.

Our sample testing did not uncover any errors or misstatements that require reporting to the external auditor at this time, nor did we identify any significant weaknesses in the internal controls such that public money would be put at risk.

It is clear the council takes governance, policies and procedures seriously and I am pleased to report that overall, the systems and procedures you have in place are fit for purpose and whilst my report may contain recommendations to change these are not indicative of any significant failings, but rather are pointers to improving upon an already well-ordered system.

It is therefore our opinion that the systems and internal procedures at Limpsfield Parish Council are well established and followed.

#### Regulation

The Accounts and Audit Regulations 2015 require smaller authorities, each financial year, to conduct a review of the effectiveness of the system of internal control and prepare an annual governance statement in accordance with proper practices in relation to accounts. In addition to this, a smaller authority is required by Regulation 5(1) of the Accounts and Audit Regulations 2015 to "undertake an effective internal audit to evaluate the effectiveness of its risk management, control and governance processes, taking into account public sector internal auditing standards or guidance."

Internal auditing is an independent, objective assurance activity designed to improve an organisation's operations. It helps an organisation accomplish its objectives by bringing a systematic, disciplined approach to evaluate and improve the effectiveness of

risk management, control and governance processes. The purpose of internal audit is to review and report to the authority on whether its systems of financial and other internal controls over its activities and operating procedures are effective.

Internal audit's function is to test and report to the authority on whether its specific system of internal control is adequate and working satisfactorily. The internal audit reports should therefore be made available to all Members to support and inform them when they considering the authority's approval of the annual governance statement.

# Independence and competence

Your audit was conducted by Mark Mulberry of Mulberry Local Authority Services Ltd, who has over 30 years' experience in the financial sector with the last 13 years specialising in local government.

Your auditor is independent from the management of the financial controls and procedures of the council and has no conflicts of interest with the audit client, nor do they provide any management or financial assistance to the client.

#### **Engagement Letter**

An engagement letter was previously issued to the council covering the 2023/24 internal audit assignment. Copies of this document are available on request.

# Planning and inherent risk assessment

The scope and plan of works including fee structure was issued to the council under separate cover. Copies of this document are available on request. In summary, our work will address each of the internal control objectives as stated on the Annual Internal Audit Report of the AGAR.

It is our opinion that the inherent risk of error or misstatement is low, and the controls of the council can be relied upon and as such substantive testing of individual transactions is not required. Testing to be carried out will be "walk through testing" on sample data to encompass the period of the council year under review.

#### **Year-End Audit**

The year-end audit was conducted on site. Information was requested from the council in advance of the audit taking place, and this was reviewed along with other information published on the council's website <a href="https://limpsfield.org/">https://limpsfield.org/</a>

#### A. BOOKS OF ACCOUNT

### Internal audit requirement

Appropriate accounting records have been properly kept throughout the financial year.

#### **Audit findings**

The year-end audit was conducted remotely with offsite assistance from the Clerk, who also acts as the council's Responsible Financial Officer (RFO). The Clerk had prepared the information advised in advance of the visit, and I have the impression that accounting records are neatly maintained and easily accessible.

The council continues to use Excel spreadsheets for recording the day-to-day financial transactions of the council. The spreadsheets are well organised and record the information needed by the council to track its financial records, produce reports for the council and provide the information to complete the year-end Annual Governance and Accountability return (AGAR).

The council has circa 150 transactions per year across three cashbooks/bank accounts. This simple structure lends itself to a cashbook style of reporting and I make no recommendation to change.

The council is not VAT registered and there is no indication from the nature type and scope of transactions that it is required to be registered. During the year the clerk made regular reclaims of VAT as evidenced in the cashbook and the physical bank statements provided. I am under no doubt the council is properly reclaiming VAT.

#### **B. FINANCIAL REGULATIONS, GOVERNANCE AND PAYMENTS**

# Internal audit requirement

This authority complied with its financial regulations, payments were supported by invoices, all expenditure was approved, and VAT was appropriately accounted for.

### **Audit findings**

### Check the publication and minuting of the prior year audited AGAR and notice of conclusion of audit.

The External Auditor's Report for 2022/23 was not qualified and has been published on the council website along with the Notice of Conclusion of Audit. This was reported to council at the meeting held on 11 September 2023.

I note that the council's internal audit report was reviewed by council at the meeting held on 13<sup>th</sup> July 2023.

# Confirm by sample testing that councillors sign statutory office forms.

I confirmed by sample testing that councillors sign "Acceptance of Office" forms. The council website provides details of councillors and includes their individual Register of Members' Interests Forms.

# Confirm that the council is compliant with GDPR.

The council is fully aware of GDPR and has undergone training. The Clerk informs me (email dated 24 April 24) that the council is move towards adoption of a .Gov email and website solution.

This is recommended because it gives a natural segregation between work and personal lives, making it clear beyond doubt in what capacity a councillor is acting. In addition to this it gives control to the council, adds a degree of professionalism and in the event of a FOI request limits access to personal computers.

Greater emphasis on the provision of common email addresses is included in the March 2023 JPAG Practitioner's Guide, and I draw the council's attention to the following:

# The importance of secure email systems and GOV.UK

5.205. All authorities except parish meetings must now have an official website. To comply with GDPR, councils should provide official email accounts for their councillors as well as for their clerk and other officers.

5.206. When choosing a domain name for the council's website and emails, many local council websites are appropriately making use of the official GOV.UK domain (for example, ourparishcouncil.gov.uk), with email addresses being linked to that domain.

5.207. Using a GOV.UK domain for your council website and email accounts demonstrates the council's official local government status. Members of the public are increasingly cyber security awareness, so a GOV.UK domain can also help to build trust, and credibility and visibly demonstrates authenticity. Many people will now reasonably expect a local council to have a GOV.UK domain name.

5.208. For the purposes of user management, councils should ensure that the proper officer can add and remove member and staff email accounts. Commercial 'dashboard' email and web systems offer centralised searching of all data contained within the system for effective compliance with GDPR Subject Access Requests and Freedom of Information Requests

The council has a Privacy Statement and Accessibility Statement on its website.

# Confirm that the council meets regularly throughout the year.

The council meets regularly during the year and has committees for Finance, Planning and Neighbourhood Plan. Historic agendas and minutes are available on the council website along with details of upcoming meeting dates.

# Check that agendas for meetings are published giving 3 clear days' notice.

I was able to confirm that at least 3 clear days' notice is given on agendas. Whilst we have not tested every single committee and council meeting there was no evidence of non-compliance in giving three clear days' notice of the meeting. I note that further to last year's internal audit, publication dates are now included making the three clear days' easier to note.

# Check the draft minutes of the last meeting(s) are on the council's website.

Minutes are routinely loaded to the council website.

# Confirm that the Parish Council's Standing Orders have been reviewed within the last 12 months.

The Standing Orders are based on the current NALC model and were most recently reviewed and adopted by council at the meeting held on 13<sup>th</sup> November 2023.

# Confirm that the Parish Council has adopted and recently reviewed Financial Regulations.

Financial Regulations are based on the current NALC model and were last reviewed and adopted by council at the meeting held on 13<sup>th</sup> November 2023. The regulations contain provisions for the approval of spending, setting of budgets, reconciliation of the bank and reporting to council.

### Check that the council's Financial Regulations are being routinely followed.

The council has thresholds in place at which authorisations to spend must be obtained as below:

- FR 4.1. Expenditure on revenue items may be authorised up to the amounts included for that class of expenditure in the approved budget, provided that the expenditure included in the budget has been scrutinised and approved pursuant to these Regulations. This authority is to be provided by:
  - the Council for all items over £250.
  - the Clerk, in conjunction with the Chairman of Council, or Chairman of the Finance Committee, for any items below £250.
- 4.2. In exceptional circumstances, expenses and budgets may be approved with a majority vote via email and / or at online/virtual meetings as long as the vote is minuted and /or emailed votes are kept as evidence.
- 4.3. No expenditure may be authorised that will exceed the amount provided in the revenue budget for that class of expenditure other than by resolution of the Council. During the budget year and with the approval of Council having considered fully the implications for public services, unspent and available amounts may be moved to other budget headings or to an earmarked reserve as appropriate ('virement').
- FR 4.5.In cases of extreme risk to the delivery of Council services, the Clerk may authorise revenue expenditure on behalf of the Council which in the Clerk's judgement it is necessary to carry out. Such expenditure includes repair, replacement or other work, whether or not there is any budgetary provision for the expenditure, subject to a limit of £500. The Clerk shall report such action to the Chairman as soon as possible and to the Council as soon as practicable thereafter. If emergency

expenditure is to exceed £500, four Councillors must agree to the expenditure; made up of the Chairman, chair of relevant Committee and two others, in conjunction with the Clerk.

Based on the level of financial activity of the council, these authorisation thresholds appear appropriate.

I tested a sample of cashbook items and was able to agree these back to the signed minutes and agenda items showing council approval of the same.

Confirm all section 137 expenditure meets the guidelines and does not exceed the annual per elector limit of £9.93 per elector. The council has section 137 expenditure within thresholds for the year.

#### C. RISK MANAGEMENT AND INSURANCE

#### Internal audit reauirement

This authority assessed the significant risks to achieving its objectives and reviewed the adequacy of arrangements to manage these.

# **Audit findings**

The council has a risk management policy which was most recently reviewed and approved by council at the meeting held in November 2023. I reviewed the policy and the risk assessment record, which is suitable for a council of this size and demonstrates that the council takes its risk management responsibilities seriously.

I confirmed that the council has a valid insurance policy in place with zurich. The policy includes Public Liability of £12 million and Employers Liability cover of £10 million each and a Fidelity Guarantee of £250,000 which is sufficient for a council of this size. The listed asset cover appears appropriate based on the items recorded on the council's asset register.

We discussed assertion 8 on the Annual Governance Statement and whether this had any impact on the council.

"We considered whether any litigation, liabilities or commitments, events or transactions, occurring either during or after the year-end, have a financial impact on this authority and, where appropriate, have included them in the accounting statements."

The Clerk confirmed that they were not aware of any event having a financial impact that was not included in the accounting statements.

# **D. BUDGET, PRECEPT AND RESERVES**

# Internal audit requirement

The precept or rates requirement resulted from an adequate budgetary process; progress against the budget was regularly monitored; and reserves were appropriate.

#### **Audit findings**

The council set a precept of £33,315 for 2023/24 (£33,315 (2022/23) in the January 2023 meeting minute ref 7.1.3. With a tax base of 2,056 (2022/23: 2,053.2), this equates to a band D equivalent of £16.20 (2022/23: £16.23) compared to the average in England of £79.35 (2022/23: £74.81).

The Clerk confirmed that the 2024/25 budget setting process and precept setting was completed at the meeting held on 11 December 2023 (minute ref 12) based on a recommendation from the Finance Committee.

The Clerk presents the budget performance information at council meetings for review. Evidence of this is available in the minutes, and I am confident that councillors are provided with sufficient financial information to make informed decisions.

At the end of the financial year, the council held circa £56,138 in earmarked reserves (EMR) and a further £28,233 in the general reserve. The earmarked reserves are in the main designated for CIL funds.

The Joint Panel on Accountability and Governance (JPAG) Practitioner's guide states 'the generally accepted recommendation with regard to the appropriate minimum level of a smaller authority's general reserve is that this should be maintained at between three and twelve months of net revenue expenditure' (para 5.33).

The general reserve balance is within the top end of the recommended range.

# E. INCOME

#### Internal audit requirement

Expected income was fully received, based on correct prices, properly recorded and promptly banked; and VAT was appropriately accounted for.

# **Audit findings**

Other than the precept, the council has no other budgeted source of income. Other amounts received during the year are from grants, VAT refunds and bank interest.

#### F. PETTY CASH

#### Internal audit requirement

Petty cash payments were properly supported by receipts, all petty cash expenditure was approved, and VAT appropriately accounted for.

# **Audit findings**

The council has no petty cash.

#### **G. PAYROLL**

# Internal audit requirement

Salaries to employees and allowances to members were paid in accordance with this authority's approvals, and PAYE and NI requirements were properly applied.

### **Audit findings**

The Clerk is the only employee and has a signed contract of employment, based on the NALC template.

The council uses a third party for processing payroll, who calculates the PAYE and pension deductions. I reviewed the payslips for January and February 2023 and the payroll deductions appear correct.

I reviewed the total figure being included within box 4 (staff costs) on the Annual Governance and Accountability Return (AGAR) and confirmed that this includes only salary payments, HMRC payments and pension contributions.

There are no councillor allowances.

# H. ASSETS AND INVESTMENTS

# Internal audit requirement

Asset and investments registers were complete and accurate and properly maintained.

# **Audit findings**

The council has a detailed fixed asset register in place which includes details of asset location, date of acquisition, cost or proxy cost, condition, estimated useful life and insurance and replacement values. Assets are correctly listed at cost/proxy cost, or where gifted/donated, given a nominal £1 value for the purpose of the asset register.

I confirmed the asset register total matches that included in box 9 (total fixed assets plus long term investments and assets) on the AGAR and was able to trace the changes to the previous year's total against the asset register.

The council no borrowing nor long-term investments.

#### I. BANK AND CASH

# Internal audit requirement

Periodic and year-end bank account reconciliations were properly carried out.

# **Audit findings**

Financial regulation 2.2 states 'On a regular basis, at least once in each quarter, and at each financial year end, a member other than the Chairman shall be appointed to verify bank reconciliations (for all accounts) produced by the RFO. This will usually be the chair of the finance committee. The member shall sign the reconciliations and cashbook spreadsheet as evidence of verification. This activity shall on conclusion be reported, including any exceptions, to and noted by the Finance Committee.'

Bank reconciliations are completed monthly and presented to either the Finance Committee or council for review. I reviewed the March 2024 bank reconciliation and was able to confirm the balances to the bank statements and found no errors.

I noted that the reconciliation and bank statement have been signed in accordance with Financial Regulation 2.2.

The council has four bank accounts, all with Nat West and balances held are within the £85,000 protection limit offered by the Financial Services Compensation Scheme (FSCS).

# J. YEAR END ACCOUNTS

# Internal audit requirement

Accounting statements prepared during the year were prepared on the correct accounting basis (receipts and payments or income and expenditure), agreed to the cash book, supported by an adequate audit trail from underlying records and where appropriate debtors and creditors were properly recorded.

# **Audit findings**

The council, at its meeting to sign off the year-end accounts, must discuss Section 1 of the AGAR (Annual Governance Statement) and record this activity in the minutes of the meeting. **COUNCIL IS REMINDED THAT THIS MUST BE A SEPARATE AGENDA ITEM PRIOR TO THE SIGNING OF SECTION 2 OF THE AGAR (ANNUAL ACCOUNTS).**

# **Audit findings**

The year-end accounts have been correctly prepared on the receipts and payments basis with no requirement for a box 7 and 8 reconciliation.

The AGAR correctly casts and cross casts and last year's comparatives match the figures submitted for 2022/23 and published on the council website. The AGAR has been properly restated to income and expenditure and the council has prepared a summary of changes for the external auditor.

The variance analysis has been properly completed.

#### K. LIMITED ASSURANCE REVIEW

# Internal audit requirement

IF the authority certified itself as exempt from a limited assurance review in 2021/22, it met the exemption criteria and correctly declared itself exempt. (If the authority had a limited assurance review of its 2021/22 AGAR tick "not covered")

# **Audit findings**

The council did not certify itself exempt in 2021/22 due to exceeding the income and expenditure limits and this test does not apply.

#### L: PUBLICATION OF INFORMATION

### Internal audit requirement

The authority published the required information on a website/webpage up to date at the time of the internal audit in accordance with the relevant legislation.

# **Audit findings**

At present no specific guidance has been provided to set out what the 'relevant legislation' is in respect of Control Objective L. We have therefore considered the requirements of Statutory Instruments 2015/480 The Local Government (Transparency Requirements) Regulations 2015 [https://www.legislation.gov.uk/uksi/2015/480/made/data.pdf] and, 2015/494 The Smaller Authorities (Transparency Requirements). https://www.legislation.gov.uk/uksi/2015/494/pdfs/uksiem 20150494 en.pdf

In addition to this, we have considered the additional publication requirements as set out in the ICO Model Publication Scheme for Parish Councils. <a href="https://ico.org.uk/media/for-organisations/documents/1153/model-publication-scheme.pdf">https://ico.org.uk/media/for-organisations/documents/1253/model-publication-scheme.pdf</a> & <a href="https://ico.org.uk/media/for-organisations/documents/1266/parish council information guide.doc">https://ico.org.uk/media/for-organisations/documents/1266/parish council information guide.doc</a>

All councils are required to follow The Accounts and Audit Regulations which include the following requirements:

- 13(1) An authority must publish (which must include publication on that authority's website)
  - (a) the Statement of Accounts together with any certificate or opinion entered by the local auditor in accordance with section 20(2) of the Act; and
  - (b) the Annual Governance Statement approved in accordance with regulation 6(3)
- 13(2) Where documents are published under paragraph (1), the authority must
  - (a) keep copies of those documents for purchase by any person on payment of a reasonable sum; and
  - (b) ensure that those documents remain available for public access for a period of not less than five years beginning with the date on which those documents were first published in accordance with that paragraph.

The council has income and expenditure greater than £25k and less than £200k and as such is not required to follow either of the transparency legislations.

The council has a model publication policy dated 13<sup>th</sup> March 2017. I recommend this is reviewed in the forthcoming financial year.

I was able to confirm that pages 4 (Annual Governance Statement), 5 (Accounting Statements) and 6 (External Auditor's Report and Certificate) of the AGAR are available for review on the council website for financial years 2018/19 to 2022/23 inclusive.

#### M: EXERCISE OF PUBLIC RIGHTS - INSPECTION OF ACCOUNTS

### Internal audit requirement

The authority has demonstrated that during summer 2023 it correctly provided for the exercise of public rights as required by the Accounts and Audit Regulations.

# **Audit findings**

Inspection – key dates	2022/23	2023/24
Date AGAR signed by council	16 May 2023	TBC on or before 10 <sup>th</sup> June
Date inspection notice issued	13 June 2023	11 June 2024
Inspection period begins	14 June 2023	12 June 2024
Inspection period ends	25 July 2023	23 July 2024
Correct length (30 working days)	Yes	Yes
Common period included (first 10	Yes	Yes
working days of July)		

I am satisfied the requirements of this control objective were met for 2022/23, and assertion 4 on the Annual Governance Statement can therefore be signed off by the council. I was able to confirm that the proposed dates for 2023/24 meet the statutory requirements.

# **N: PUBLICATION REQUIREMENTS**

#### Internal audit requirement

The authority has complied with the publication requirements for 2022/23. Under the Accounts and Audit Regulations 2015, authorities must publish the following information on the authority website / webpage.

Before 1 July 2023 authorities must publish:

- Notice of the period for the exercise of public rights and a declaration that the accounting statements are as yet unaudited
- Section 1 Annual Governance Statement 2022/23, approved and signed, page 4
- Section 2 Accounting Statements 2022/23, approved and signed, page 5

Not later than 30 September 2023 authorities must publish:

- •Notice of conclusion of audit
- •Section 3 External Auditor Report and Certificate
- •Sections 1 and 2 of AGAR including any amendments as a result of the limited assurance review.

It is recommended as best practice, to avoid any potential confusion by local electors and interested parties, that you also publish the Annual Internal Audit Report, page 3.

# **Audit findings**

I was able to confirm that the Notice of Public Rights is published on the council website along with the Notice of Conclusion of Audit and External Auditor Report and Certificate and the publication requirements for 2022/23 have been met.

# O. TRUSTEESHIP

# Internal audit requirement

Trust funds (including charitable) – The council met its responsibilities as a trustee.

# **Audit findings**

The council has no trusts.

# Achievement of control assertions at year-end audit date

Based on the tests conducted during the year-end audit, our conclusions on the achievement of the internal control objectives are summarised in the table below and are reflected in the completion of the Annual Internal Audit Report within the AGAR.
